PRODUCT EXCHANGE

Household Hazardous Material surrendered in good condition is available FREE to the public in the Product Exchange Room.

Check out our inventory during the Household Hazardous Material Collection hours.

Waste Oil Drop Off Sites

Did you know... if you recycle just two gallons of waste oil it can generate enough electricity to run the average household for almost 24 hours? Oil is a valuable, reusable material. It doesn't wear out – it just gets dirty. Used oil and filters brought to a collection site will be recycled and re-refined into clean motor oil or used as an alternative energy source.

Guidelines:

- Use a dirt-free container with a leak-proof lid.
- Do Not use containers that previously held household chemicals, such as cleaners, solvents, fuel (gasoline), paint or bleach.
- Do Not mix with solvents or other material such as anti-freeze.

Call ahead for program information.

1495 Tullar Rd | Neenah | 920-886-6260

**Accepts oil filters and absorbents*

Household Sharps Drop Off Sites

To reduce public health risks such as accidental needle sticks, Wisconsin law requires all citizens to manage sharps safely. **It is illegal to put sharps in the trash or with recyclables.**

Sharps users are highly encouraged to place their used or discarded sharps in an acceptable sharps container and take them to a designated sharps collection station for proper disposal.

NEVER PUT SHARPS IN RECYCLING OR TRASH.
