In consideration of the issuance of this permit, the applicant agrees to faithfully comply with all the Ordinances and regulations of the Town of Oshkosh. Only asphalt or gravel is allowed in town right-of-way. **Concrete is not allowed in town right-of-way.**

It is the applicant's responsibility to provide a site plan detailing the exact location where the culvert is to be set, or clearly stake the location on the lot where the ends of the culvert are to be placed. If a culvert is set in the wrong location and no site plan or stakes were provided by owner/applicant, an additional culvert permit is required to relocate the culvert.

The Town of Oshkosh contracts to supply, set and install the culvert. Applicant agrees to pay the installation cost or estimate to the Town of Oshkosh. The paid \$300 Permit Culvert Fee is deducted from the final installation cost of invoice or estimate.

The installation cost is estimated to be \$_____

*Balance of installation cost is billed and due after the work is performed
and the Town of Oshkosh forwards the contractor's invoice.
Any unpaid balance due will be added to property taxes as a delinquent charge.*
