Presently at 32 Fire Department Members. (The first time we had a full roster in 18 years)

No Fire Personal was injured in 2020.

20 - Members were eligible for the Service Award Program.

104 businesses were inspected twice this year, with no major violations found.

The department did surprisingly well with "The Year Of Covid 19"

A County Wide Mutual Aid Package has been implemented, which makes it a lot easier to work with the city of Oshkosh, and Town Fire Departments on calls.

The Auto Aid Agreement has been updated with the Town Of Vinland.
