GENERAL AWARENESS

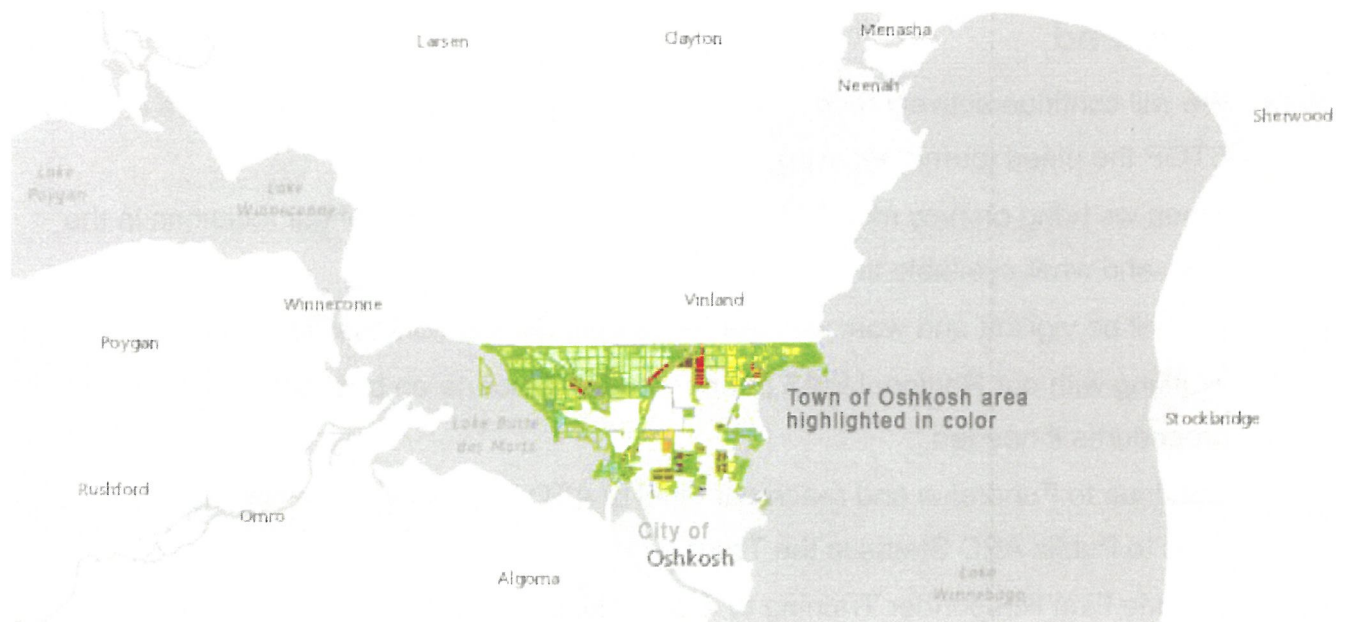

2021 Highlights

- Maintained Skilled membership of 15 providers of diverse levels. 3 of which are Career Emergency Medical providers and 1 Personal Care medical provider.
- Public Safety outreach at Lifest.
- Public Safety Outreach BMX Racetrack.

Operating Highlights

- 2021 continued with answering the call when others are asked to stay out of the public to stop the spread of Covid 19. Diligently our group Vaccinated as they felt compelled to protect themselves from extended illness if the virus was contracted.
- The group was also vigilant about watching illness and self-isolating if they were ill or had contracted the virus. We continue to have self-testing kits available for our responders to rapidly diagnose covid 19.
- Advanced Personal Protective gear continued to be obtained from the State of Wisconsin Stockpile and we were able to minimize the cost to the taxpayers.
- We continue to utilize the highest level of care in the state of Wisconsin for first responders with advanced skill sets such as Epinephrine, spinal immobilization, advanced airways, Narcan, Blood glucose analysis. And Automated Defibrillators.
- We all carry a personal carbon monoxide detector to keep us aware of harmful atmosphere conditions.
 - We respond from our homes with our personal vehicles along with Gold Cross Ambulance.

“Nothing brings our group more joy than the support from our town.”

Responders:

Adam Moriarty
Bailey Fernau
Christopher Kiefer
Dayne Krueger
Jamie Appleton
Jason Selwitschka
Joe Kossel
Jordan Klemmer
Justin Donaldson
Matt Overton
Steve Gawaresky
Trevor Eckstein
Todd Zak
Tuesday Grundy
Tyler Zak

Looking Ahead

- We will continue actively recruit and give training to the town residents in the care of STOP the bleed tourniquet usage and CPR training.
- When we bring on new members, we will look at the diversity of our locations in the town and what available times are for response.
- We will be vigilant and work with the areas Falls Prevention coalition to decrease falls.
- Working with our Regional EMS partners will collaborate on best care and Mutual aid procedures if needed.
- Continue to Fundraise and reach our Goal of AED Upgrades with donating our current units to Public AED Status in the Town.
- Provide First Responder Training to Town residents that would potentially like to join our Team as openings occur.

FINANCIAL SUMMARY

The Town OF Oshkosh EMS strives to be fiscally responsible with the generous donation as well as the Budget allowed from the taxpayers.

1. Operating Budget \$35,076.94
2. Donations and Beneficiary of donations from estates. Current Account Balance to be used for EMS related activities equipment and outreach to the town of Oshkosh Residents.

Annual Town Meeting Report April 19, 2022

For 2021

14 zoning permits

- 2 fences

- 3 garages

- 6 new houses with garages

- 2 signs county, McKay nursery

 - 3 no permit needed...attached to bldg.

2 signed motor vehicle license applications

1 letter of recommendation for \$10 K grant money

From East Central for new businesses in empty store fronts

Worked with P&Z and Town on the Loren property

And the Tim Moore conditional use applications

Had 289 phone calls: some included such as

Questions about need for permits, correct zoning, soil erosion permits, about agricultural uses such as how many animals on 5 acres, etc.

Provided by Carol Kaufmann, Zoning Admin

Annual Town Meeting Report – April 19, 2022

The Planning and Zoning Commission met only once in the year 2021.

The meeting was an informational meeting by Tim Moore whom wants to purchase three parcels which total 62 acres. His plan for these parcels is for cross country running events. He would have 15-20 events in the fall.

He also would like to build a home and an open sided enclosed shelter and a garage for equipment to maintain the trails.

The Town of Oshkosh would have to change the Comprehensive Plan as the area on the Comprehensive Plan is general farming. The Town of Oshkosh would have to have a public hearing to change these parcels to Institutional and Recreation Park.

Our motion was to pursue a public hearing to change the Town of Oshkosh Comprehensive Plan.

Sharon Karow, Planning & Zoning Secretary
